Chapter 13
Case No. BG-17-00172

Trustee's Notice of Intent to Pay Claims

Now comes the Standing Chapter 13 Trustee who reports that the claims bar date for this case was May 10, 2017. The claims received and the court's claim register have been examined. The Trustee finds that the following claims were filed timely. The claim amount is in the "Amount" column.

This is a \$38,772.00 plan, all creditors classified as an "unsecured" creditor could receive a dividend less than 100%. Changes inherent in a base plan could cause this percentage to fluctuate. Please refer to the plan for an estimated dividend.
